Dear Mr. Deoji Shivdas,

As regards the site for the Musafirkhana which you propose to build at Melkote, I have just heard from the Deputy Commissioner, Mysore District that he visited the place on the 1st instant and has selected the place which is marked in red-ink in the enclosed plan for being given to you for constructing the Musafirkhana, on condition that no opening will be made into the compound of the Vasantha Mantapam. The hiduvali land (hithal and dwelling houses) to the west of the site will be acquired and made over to you. Dear Mr. Ramachendra Rao,

In continuation of Mr. Ramanathan's D.O. letter No. H. 1029/26 dated 29th June 1928 regarding the site for the construction of a chattram by Mr. Thakur Deoji Shivdas at Melkote, I am to inform you that Mr. Ramanathan visited Melkote on 1st July 1928 and consulted the local people. The enclosed plan of the site was submitted to the Dewan Sahib in person today. There is no objection to grant the portion marked in red ink for being given to Mr. Deoji Shivdas but no opening should be made into the mantap compound. The hiduvali land(hithal and dwelling houses) to the west of the site will be acquired for the temple and given to the gentleman.

Dear Mr. Ramachandra Rao,

I am in receipt of your D.O. letter No. 4675 dated 15th June 1928 re: site for Chatram by Mr. Thakur Deoji Shivdas at Melkote.

I am visiting Melkote on 1-7-1928 to consult the local people and inspect the spot afresh in the light of ~~the~~ Mr. Rama Iyer's letter and shall send a final reply on 2-7-1928.

In the meantime, I hear that Mr. Shivdas accompanied by Mr. Venkoba Rao, Architectural Assistant, visited Melkote recently.

I could not reply earlier as I have been on tour and had to look into Mr. Rama Iyer's letter before replying.

Yours sincerely,

D.O.4675

15th June 1928.

Dear Mr. Ramanathan,

I am asked to write to you again about the request of Mr. Thakur Deoji Shivdas, a jeweller of Bombay, who has promised to construct, at his own cost, a Musafirkhana at Melkote. Mr. Deoji is keen about having the Palace site (known as Sri Chamarajendra Vasantha Udyana) now in temple occupation and does not prefer the alternative sites in the same locality shown to him. In your letter No.H.1029 of the 4th January 1928, you expressed the view that this site might be granted to him for the purpose in view and further action facilitated. Mr. T.G. Rama Iyer (while acting as Deputy Commissioner during the period of your leave) however wrote to the Uzrai Commissioner subsequently stating that this particular site could not, for the reasons mentioned in his letter No.H.1029 dated 8th March 1928 be spared for building the proposed Musafirkhana. These conflicting views have not facilitated the disposal of this matter so far. I am now to request you to kindly look into the matter again and let me know if the site selected by Mr. Deoji cannot be placed at his disposal in view of th charitable purpose for which it is required and if the construction of the building will not improve the appear ance of the locality.

An early reply will be a favour.

Yours sincerely,

Sd M S R

P S Would you kindly let me know if it is necessary to consult the Palace authorities above the grant if this site? You have said that the site is one in temple occupation

With reference to your letter No. [illegible]/F.Misc-27-8 dated 1st January 1928 [illegible] attention of the Government of this State at Simla to Mr. Thakar Deoji Sivdas C.I.E., I have the honour to forward herewith copy of letter No. M.1029/ to dated 16th March 1928 from the Deputy Commissioner, Coorg and list, stating that for reasons explained therein it is not worthwhile to put the Gold Mines in Coorg [illegible] for sale at the present time of depression and that the mines may be retained [illegible] be available.

Chattram at Melkote-construction of -by Mr. Deoji Shivdas -

"With reference to your Memo No.C.955/27-28 dated 19th January - 1928 regarding the grant of the site to Mr. Deoji Shivdas of Bombay for the construction of a Chattram building at Melkote, I have the honor to state that the Sub Division Officer, French Rocks, who was requested to furnish the opinion of the Dharmadarsis of the temple, reports that they agree to the construction of the Chattram at the place proposed by Mr. Deoji Shivdas subject to the conditions that another flower garden is provided in lieu of the one existing on the site at present, so that the requirements of the daily puja may be satisfied, that there should be a proper system of drainage so that no nuisance may be caused to the surrounding Temple and Mutts, that only vegetarians be allowed into the Chattram and that the building should be constructed in such an artistic way that no hindrance is caused to the "Pancha Parva" Utsavas.

2. During my recent visit to Melkote on 4-3-1928, I inspected the site which Mr. Deoji Shivdas desired to have for the construction of the Chattram. This site is known as Sri Chamarajendra Vasantha Udyanavana and is just next to the temple with a road between the two. This site which was once the property of the Palace was given over to the Temple some years ago. There is a fine octagonal Mantap at the centre where it is said that Panchaparva Utsavas are performed - the deity taken there on those occasions, probably from the time of Mr. A. Srinivasachariar, the late Muzrai Secretary to Government. The whole site is enclosed by a fine compound wall with a gate towards the main street and with a small flower garden inside, the flowers - raised therein are being used for daily worship in the temple. The site measures only about 100' X 80' and the Mantap is about 25' X 25'. I think it is objectionable to grant this site for the construction of a Chattram.

The existence of the central artistic Mantap, the small flower garden around, the Utsavas for which it is being used by the temple, and its proximity to the temple and the associations of the -

Even the Dharmadarsis told me that they agreed to the resolution to --

Dear Sir,

Re: grant of a site for the proposed construction of a Musafirkhana at Melkote.

.....

In continuation of my letter No.2723 of the 11th January 1928 on the above subject, I write to say that it is since learnt that the site selected by you for the construction of the Chattram is known as Sri Chamarajendra Vasantha Udyana and is just next to the temple; that there is an artistic Mantap on this site with a flower garden around it, wherein Panchaparva Utsavams are held; that for this and other reasons it is not feasible to spare this site for the Chattram and that the Dharmadarsis of the temple are not also quite in favour of the unconditional grant of the site to you.

It is further learnt that there are a few other vacant sites close to the temple which can be spared for the purpose and to the grant of which there are no objections. I am enclosing for your perusal a sketch showing such sites which can be acquired by private negotiations at a cost of about Rs.600/- for the biggest site. The Deputy Commissioner reports that he has inspected these sites; that they are quite suitable for a Chattram, and that they are situated within a radius of half a furlong from the temple and in a prominent big street which commands a fine view and through which the Vairamudi passes. I am to request you to make a selection from out of the vacant sites and let me know as early as possible which site you would prefer to have for the Chattram. On receipt of your reply necessary action will be taken about placing the selected site at your disposal.

Yours sincerely,
Sd/- L.S. Ramachendra Rao.
